*"This is a fine series of Rieslings, as good as the 2001's, 2005's and 2007's that Weis and his team made, possibly even better."*

**GREAT BRITAIN, Sep. 2010**

- 2009 Leiwener Laurentiuslay Riesling Großes Gewächs rated 17,5 pt's  
„The spontaneous fermentation notes of 2009 have been tamed to allow some attractive aromas of citrus and yellow fruit to shine. Very fresh and concentrated flavour of a melange of citrus fruit is well supported by mouthwatering acidity and a minerally bite. Full bodied but not overpowering, with excellent length.”

- 2008 Urban Riesling  
“Hermann Weis started Niagara’s Vineland Winery in the late 70’s and introduced us to quality Riesling. He returned to Germany but his wine (made by son Nik) is back in our market in the form of an über cool Riesling called Urban. A wonderful play between mineral freshness and teasing, slightly sweet flavours.”

**NATIONAL POST** August 28th 2010

- 2008 Urban Riesling  
“This modern-styled Riesling is from St. Urbans-Hof winery, a lovely property in the Mosel area of Germany. A pure and true expression of Mosel character, it has a nice minerality from the blue slate soil along with a flavourful light elegance from the Saar vineyards influence. Racy, fruity and crisp with floral notes, this off-dry white gets your gastric juices flowing and is particularly delicious with sushi and other Asian-styled dishes.”
